

S4U is specialized in designing, producing, installing and servicing [digital] gaming signs for every casino, arcade or VLT...

Fully integrated LED Sign + Fillers

Full LED Sign

Classic jackpot Sign

Hello we are SIGNS4U, We R here 4U.

We are here to help you to achieve all that you would wish for in the appearance and day-to-day working of your location, whether it is a five-star international casino, a family fun arcade or any other type of location which needs illuminating, both in décor and in [jackpot] multimedia systems.

We love challenges. put us to the test. see if we can match up to what's in your mind's eye. we have a young experienced and enthusiastic team full of ideas and highly-motivated.

We have 25 years' experience in the signs and systems business. we know our stuff, whether it is a 60-metre outdoor beacon of light and color, or indoor info displays; slots progressives and bonusing or top-boxes.

Signs light up your property and help light up your profits.

Try us...you won't be disappointed.
