

wayfinding & directional signage

where's the entrance? where's the exit? where's the rest rooms, the restaurant, the bar.....

all answered simply and easily with our way-finding signage which is configured to every location's specification.

they can be wall-mounted, ceiling-mounted or totem-mounted. you can also use a digital solution from S4U if you wish to be totally flexible in the range and variety of announcements that you can ever conceive may be needed in your location!

Hello we are SIGNS4U, We R here 4U.

We are here to help you to achieve all that you would wish for in the appearance and day-to-day working of your location, whether it is a five-star international casino, a family fun arcade or any other type of location which needs illuminating, both in décor and in [jackpot] multimedia systems.

We love challenges. put us to the test. see if we can match up to what's in your mind's eye. we have a young experienced and enthusiastic team full of ideas and highly-motivated.

We have 25 years' experience in the signs and systems business. we know our stuff, whether it is a 60-metre outdoor beacon of light and color, or indoor info displays; slots progressives and bonusing or top-boxes.

Signs light up your property and help light up your profits.

Try us...you won't be disappointed.
